INTERNSHIP PRESENTATION

Production Coordination in Animation Production

Internship experience, responsibilities, production workflow and professional learning

STUDENT RAGHAV MAHAJAN

ENROLLMENT NO. 25SCS1003001471

PROGRAM & SEMESTER B.Tech (CSE) • 3rd Semester (2nd Year)

ORGANIZATION Digitoonz Media & Entertainment Pvt. Ltd.

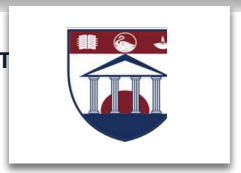

Submitted to: School of Computer Science & Engineering, IILM University, Greater Noida

INTERNSHIP PERIOD

10 June 2026 – 10 July 2026

PRODUCTION DEPARTMENT

Production Coordinator Intern

Presentation Roadmap

A concise structure for the internship discussion

01 **Internship Overview**

Role, duration and focus

02 **Organization & Context**

Host organization and production environment

03 **Problem & Objectives**

Challenge and learning goals

04 **Scope, Tools & Methodology**

Activities, tools and working approach

05 **Process Architecture**

How coordination information flows

06 **Outcomes & Learning**

Skills and professional development

07 **Completion Evidence**

Certificate and HR email proof

Internship at a Glance

Core facts documented by the internship completion certificate

ROLE

Production Coordinator Intern
Production Department

DURATION

10 June 2026 – 10 July 2026

HOST

Digitoonz Media & Entertainment Pvt. Ltd.

CORE RESPONSIBILITIES

- Support production coordination activities.
- Monitor project progress and maintain production records.
- Coordinate with team members and assist with task/deadline tracking.
- Develop practical skills in communication, teamwork, documentation and time management.

Organization Profile

Professional environment in which the internship was completed

DIGITOONZ

Media & Entertainment

Production Department

Noida • Kolkata

HOST ORGANIZATION

Digitoonz Media & Entertainment Pvt. Ltd. hosted the internship in its Production Department.

PRODUCTION CONTEXT

The internship provided exposure to professional production processes, day-to-day project management and animation production workflows.

INTERNSHIP RELEVANCE

- Coordination connects people, tasks, records and timelines.
- Progress visibility supports follow-up and production continuity.
- Documentation and communication help keep work information organized.

Problem Statement

The operational coordination challenge

THE CHALLENGE

How can production tasks, progress, records, communication and deadlines remain organized and visible across an animation production workflow?

VISIBILITY

Track current project status and ongoing production activities.

COORDINATION

Support communication and follow-up between team members.

TIMELINES

Maintain awareness of pending tasks and expected deadlines.

The internship approached this as a production-coordination problem, not as a stand-alone software development project.

Project Objectives

What the internship aimed to support and develop

01 Understand

Production coordination in an animation environment.

02 Monitor

Project progress and ongoing work.

03 Maintain

Production records and documentation.

04 Coordinate

Communication and follow-ups with team members.

05 Track

Tasks, priorities and deadlines.

06 Develop

Communication, teamwork, time management and problem-solving skills.

Scope of the Internship

Areas covered by the coordination role

Production Coordination	Supporting coordination activities in the Production Department.
Progress Monitoring	Monitoring project progress and maintaining work visibility.
Records & Documentation	Maintaining production records and organizing relevant information.
Team Coordination	Communicating and coordinating with team members.
Task & Deadline Tracking	Assisting with task status, priorities and timelines.
Professional Development	Building communication, teamwork, time management and problem-solving skills.

Technologies, Tools & Skills

Tools and skills explicitly reflected in the internship certificate

MICROSOFT EXCEL

Spreadsheet-based organization, tracking and maintenance of production-related information.

GOOGLE SHEETS

Online spreadsheet-based tracking and collaborative documentation where applicable.

COMMUNICATION

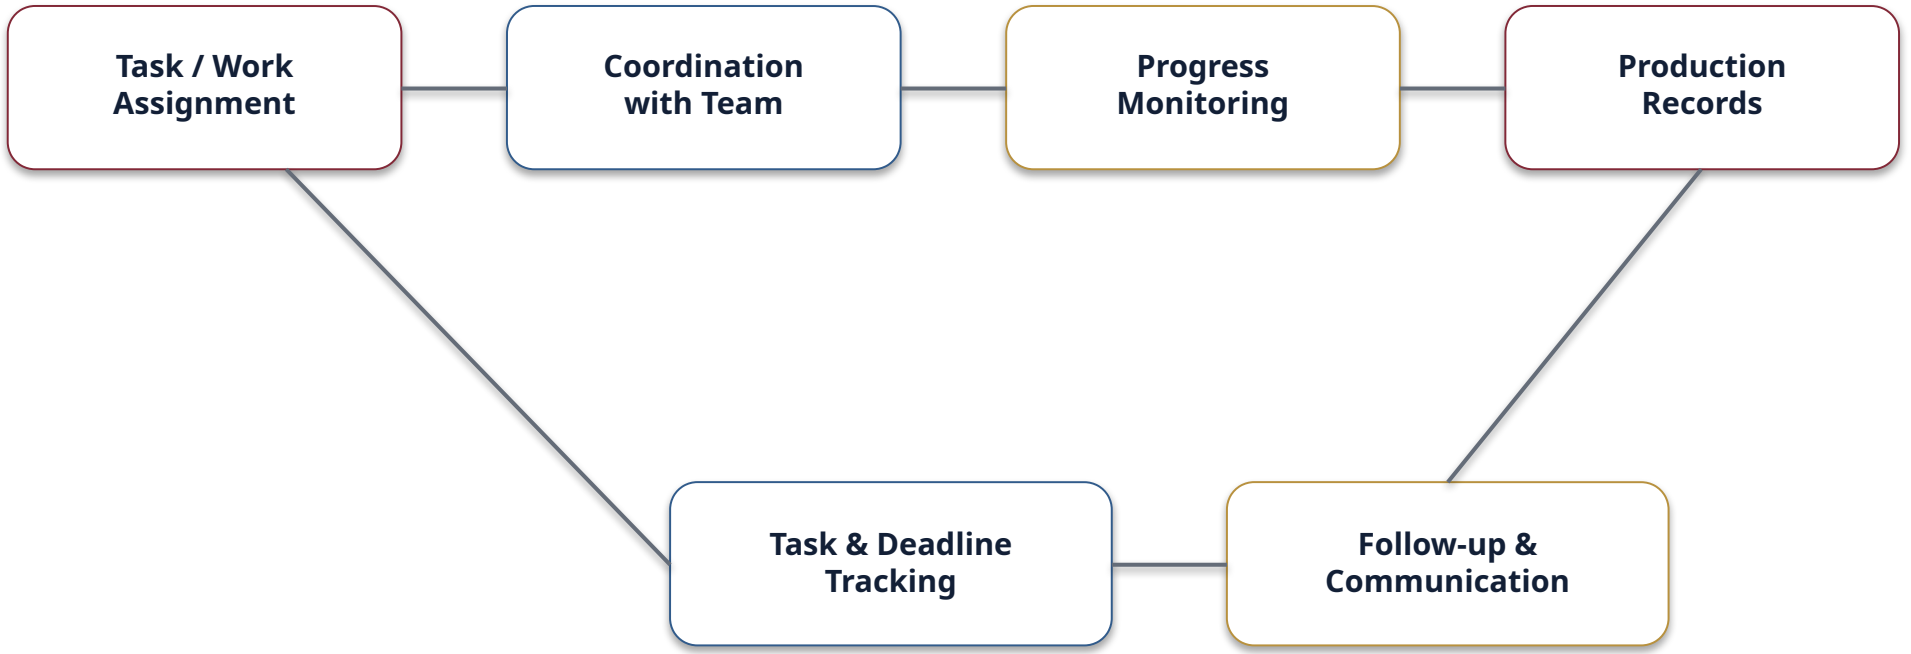

Professional communication, coordination and follow-up with team members.

SKILLS DEVELOPED

- ✓ **Production coordination**
- ✓ **Project tracking**
- ✓ **Documentation**
- ✓ **Team coordination**
- ✓ **Time management**
- ✓ **Problem-solving**

System / Process Architecture

Conceptual model of the production-coordination workflow

The workflow represents how assignments move through coordination, monitoring, documentation and deadline tracking. It is a conceptual process model prepared from the internship responsibilities.

Methodology

Observation → coordination → tracking → review

01

UNDERSTAND

Production activities, roles and timelines

02

ORGANIZE

Records and tracking information

03

COORDINATE

Communication and follow-ups

04

MONITOR

Project progress and pending work

05

TRACK

Tasks, priorities and deadlines

06

REVIEW

Feedback and continuous improvement

Expected Outcomes & Learning

Practical and professional outcomes of the internship

Expected Outcomes

- Practical understanding of production coordination.
- Improved ability to monitor project progress and task status.
- Better understanding of production records and documentation.
- Improved communication and team coordination.
- Stronger time-management and deadline-tracking skills.
- Practical exposure to Excel/Google Sheets.

Professional Growth

01 Communication

02 Teamwork

03 Time management

04 Documentation

05 Problem-solving

06 Animation production workflows

07 Day-to-day project management

OFFICIAL EVIDENCE

Communication Mail Proof

HR email confirming provision of the internship completion certificate

WHAT THE EMAIL CONFIRMS

The HR communication states that the internship completion certificate was provided by Digitoonz and attached for reference.

SUPPORTING EVIDENCE

Official certificate + HR communication email provide completion proof.

OFFICIAL EVIDENCE

Key Takeaways

What I gained from the internship experience

PRODUCTION
Understanding of coordination within an animation-production workflow.

PROJECT TRACKING
Practical exposure to progress, task and deadline monitoring.

DOCUMENTATION
Experience maintaining production records and structured information.

COMMUNICATION
Improved professional communication and team coordination.

TOOLS
Exposure to Excel / Google Sheets for tracking and documentation.

PROFESSIONAL SKILLS
Time management, teamwork and problem-solving.

CONCLUSION

Learning through coordination

Raghav Mahajan
25SCS1003001471

A valuable production experience

The internship provided practical exposure to production coordination in an animation environment and strengthened skills in project tracking, documentation, communication, team coordination, time management and understanding of production workflows.

ROLE	**Production Coordinator Intern • Production Department**
ORGANIZATION	**Digitoonz Media & Entertainment Pvt. Ltd.**
